

IT'S TIME TO START THINKING ABOUT APPLYING FOR A SECONDARY SCHOOL PLACE

Applications can be made online from **1 August** until the national deadline of **31 October 2021**.

All applications made by the national deadline are treated the same.

Before you apply, we recommend you go to **www.leeds.gov.uk/apply** and:

- Read about the admissions process works
- Research possible schools – you are allowed to list 5 preferences
- Read each school's admission policy to understand how their places are allocated and how likely it is your child will be offered a place
- Check if your home address provides any admission priority

We will hold Q&A sessions on social media in **September**.

You can also contact us at **0113 222 4414** if you need support.
